After the story

Sleepy Bear Mungchi Gets Ready for Winter

Talk about it together

1. What did Mungchi do when a friend was in trouble?
2. Why did the cave feel warmer once everyone was there?
3. What does our home do to get ready for winter?

Try it together

☆ Build a cozy “winter cave” from blankets and cushions, and invite the stuffed animals in to sleep until spring.

☆ On a walk, look for signs of autumn: falling leaves, acorns, busy squirrels. Who else is getting ready for winter?

A fork in the story

What should Mungchi do first?

☐ Gather food

☐ Make the cave warm and cozy
