Name _____

Color in Kong!

Kong the Brave Little Seed

Free to print for home and classroom use.

 Name _____ Date _____

After the story

Kong the Brave Little Seed

Talk about it together

1. What did Kong need in order to grow?
2. How much did Kong grow each day?
3. Was there a time when waiting was hard for you? What did you do?

Try it together

☆ Plant a bean in a clear cup with damp cotton or soil, and set it on a sunny windowsill. Check it together each morning. Does a root come first, or a sprout?

☆ Ask your child who they would ask for help first, Sunny or the Cloud, and why. Then wonder together: what would happen to a seed that had only one of them?

A fork in the story

Who should Kong ask for help first?

☐ Ask Sunny for sunlight

☐ Ask the Cloud for rain

Draw the path you chose.
